

Layaway

Spread the cost of any of our products over £20 with up to 12 weekly payments. No credit checks and no interest.

How it works

- **Pay a deposit**
Find the product you want and pay a 20% deposit to secure it
- **We hold / You spread the cost**
We hold your item safely for you. You then pay off the balance in weekly instalments, up to a maximum of 12 weeks. (payments can be made in any amount during the 12 weeks)
- **You collect or arrange delivery**
Once the final payment has been made you are free to collect from our store or arrange nationwide delivery.

Small Print

- **Payments**
Weekly payments can be made by cash, debit or credit card over the phone or via Paypal. Payments can be made anytime for any amount during the 12 weeks period.
- **No Interest is charged**
We do not make any extra charges for using the layaway, however should you decide not to complete the transaction in the 12 weeks your deposit will be forfeited to cover our admin costs and any remainder paid will be refunded.
- **Collection / Delivery**
The goods remain our property and will not be able to be collected or delivered until full payment has been made.
